

All Because You're Here

Verse 1

When You speak ev'rything becomes clear
When You sing over me I can hear You say
You don't have to be afraid
You don't have to be afraid

Chorus

'Cause Your perfect love is casting out my fear
And Your open arms are beckoning me near
'Cause something's breaking
Something's changing in the atmosphere
Something's breaking
Something's changing all because You're here

Verse 2

In my pain I've lost count of my tears
Through it all ev'ry step You've been with me
I don't have to be afraid
I don't have to be afraid

Bridge

When I see impossible You see potential
When I see immovable You see a miracle in my life
