“Tell Your Story” Worksheet

Using the lines below, write out the story of your faith journey. Be concise, but make sure you include elements that are factual and relatable.

Before I became a Christ follower... (describe what your life was like before you started living for Jesus)

I became a Christ follower...(describe how you came to Jesus - What led you to trust in Jesus? What was said? Where were you? What was the experience like? How did the experience make you feel?)

Since becoming a Christ follower...(describe what life has been like since you've become a Christ follower. Be factual. No one's life with Christ is perfect. How has your life changed? Have you been freed from anything? How do you feel now?)
