

Frosty

Frosty the Snow Man Was a jolly happy soul
With a corn-cob pipe and a button nose
And two eyes made out of coal

Frosty the Snow Man Is a fairy tale they say
He was made of snow but the children know
How he came to life one day

There must have been some magic in
That old silk hat they found
For when they put it on his head
He began to dance around

Oh Frosty the Snow Man Was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Frosty the Snow Man Knew the sun was hot that day
So he said let's run and we'll have some fun
Before I melt away

Down to the village With a broomstick in his hand
Running here and there all around the square
Saying catch me if you can

He led them down the streets of town
Right to the traffic cop
And he only paused a moment
When he heard him holler stop

Frosty the Snow Man Had to hurry on his way
But he waved good-bye saying please don't you cry
I'll be back again some day

Thumpty thump thump thumpty thump thump Look at Frosty go
Thumpty thump thump thumpty thump thump(Over the hills of snow)
