

# Do You Wanna Build a Snowman? [capo 3 C]

[Default Arrangement]

Do you want to build a snowman?

Come on let's go and play

I never see you anymore, come out the door

It's like you've gone away

We used to be best buddies and now we're not

I wish you would tell me why

Do you want to build a snowman?

It doesn't have to be a snowman

Okay, bye...

Do you want to build a snowman?

Or ride our bike around the halls

I think some company is overdue

I've started talking to the pictures on the walls

It gets a little lonely, all these empty rooms

Just watching the hours tick by

Please, I know you're in there

People are asking where you've been

They say have courage, and I'm trying to

I'm right out here for you, just let me in

We only have each other, it's just you and me
